Subject: Livonia Transmission Plant August 2019 Complaint Memo 36200 Plymouth Road, Livonia, Wayne County, Michigan EGLE Site ID No. 82002970

This memo was prepared by Arcadis of Michigan, LLC (Arcadis) on behalf of Ford Motor Company (Ford) is in response to the May 28, 2019 letter from the Michigan Department of Environmental, Great Lakes, and Energy (EGLE), requesting that Ford provide a monthly written summary documenting residents' concerns during installation of the interim preemptive mitigation systems. The summary will provide documentation of complaints received from the residents, the response provided to the residents, address the complaints, and the resolution of the complaint. The attached table summarizes the correspondence that occurred in October 2019.

Arcadis, on behalf of Ford, will continue to work closely with the residents of Alden Village Subdivision to ensure that all of the complaints and issues associated with the installation of the interim preemptive mitigation activities are addressed in accordance with the Public Outreach Plan submitted to the EGLE on June 28, 2019.
